Cal OES Internal Statewide Incident Briefing

2000 hours, April 4, 2019

California Rescue Dog Association (CARDA) K9 "Penny," a Labrador Retriever, used her finely tuned nose to find a subject hiding among the shrubs in Wavecrest Open Space. After making the find, Penny guides her handler back to the hidden person she found tucked among the bushes.

Cal OES INLAND REGION

Oroville Dam Spillway Scheduled Water Release, Butte County

On 03/31/19 at 1126 hours, the California State Warning Center was notified by the Department of Water Resources (DWR) that the Emergency Action Plan (EAP) for Oroville Dam High Flow Operations was activated. This is a precautionary measure only. No hazard or threat to the Oroville Facilities exists.

Per DWR as of [04/04/19 at 1327 hours](#):

- Due to forecasted storms, DWR plans to increase total releases to the Feather River to up to 30,000 CFS (cubic feet per second). starting Friday, 04/05/19.
- Main spillway releases are anticipated to be up to 21,500 CFS on Friday, 04/05/19.
- Oroville Spillway water release is going as planned.
- The Spillway is currently releasing water at a rate of 10,800 CFS.
- The Hyatt Power Plant (at the base of the dam) is releasing 10,500 CFS.
- Approximately 20,000 CFS is being released into the Feather River [and will increase releases to 25,000 CFS by 1000 hours on 04/05/19.](#)
- The outflow numbers are adjusted throughout the day as inflows fluctuate, but they will remain targeting 20,000 CFS for a total release until further notice.
- DWR will continue to notify local emergency management agencies and entities along the Feather River of significant changes in releases from Lake Oroville.
- Cal OES Dam Safety will stay engaged with the dam owner throughout the water release and keep the CSWC up to date if anything changes.
- The CSWC will continue to monitor the situation and provide updates as they become available.

Cal OES COASTAL REGION

Railcar Derailment, Lakehead, Shasta County, Spill Report: 19-2228

[On 04/04/19 at 1054 hours, the California State Warning Center \(CSWC\) received a report from Union Pacific Railroad \(UPRR\) advising that 1 railcar derailed in the upright position due to unknown causes.](#)

- [There were no hazardous material released and no injuries reported.](#)
- [CSWC personnel performed notifications per SOP.](#)

SITUATION SUMMARY

Cal OES SOUTHERN REGION

Presidential Visit, Calexico, Imperial County

- On 04/05/19, according to the U.S. Border Patrol El Centro Sector, President Donald J. Trump will travel to Calexico to visit a newly completed section of the border wall. The President will also be participating in a roundtable with local law enforcement officials and will then proceed to a briefing and tour of the completed section of the wall.

WEATHER KEY POINTS

04/04/19 - 04/10/19

Thursday-Friday

- Gusty winds are expected across much of the region Thursday night and Friday with impacts to travel and localized property damage
- Rain showers begin today across Northern California.
 - Moderate to heavy rainfall to northern and Central California expected Friday
 - Localized flooding possible across Northern CA. Widespread debris flow flooding is not expected. Ponding water is expected, especially in heavier rain showers.
 - The Carr/Delta burn scar could have possible flooding issues Thursday eve through Friday eve. The period of highest concern is between 3pm PDT Friday and 11pm PDT Friday.
- Late season snow expected over the Northern Sierras passes above 6000 ft today through early Saturday
- The heaviest period of snow and gusty winds are forecast Friday afternoon

Saturday-Wednesday

- A series of weak storms will move across the far northern portion of the state with mainly light precipitation expected. No significant impacts from rain expected at this time.
- Windy conditions return to Southern CA Tuesday and Wednesday.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-681, 04/04/2019 at 0705 hours**, AFRCC (#19M0173) reported, ELT activation at 4/3/2019 1926 hours, 33 40.0 N -115 45.2 W, near Chiriaco Summit airport, aircraft is a Helicopter, Tail #N922AW. Registered Owner (RO) information is out of date, according to AFRCC. Riverside County SO made ramp check at the airport and nothing located. Last coordinates 33 44.6 N -118 19.1 W (Long Beach, LA County). AFRCC has activated CAP. **MISSION ONGOING**
- **2019-LAW-558, 03/29/19, 0851 hours**: Butte County Sheriff's Office, requested 2 HRD K9s for a Law Enforcement sensitive mission. Mission schedule for 04/05/19 at 0800 hours. Cal OES LEB canine coordinator is coordinating the request. **MISSION ONGOING**
- **2019-LAW-526, 03/27/19, 0830 hours**: Santa Cruz SO, requested 7 HRD canine teams to assist with a Law Enforcement sensitive mission. Mission scheduled for 04/06/19. Cal OES LEB canine coordinator is coordinating the request. **MISSION ONGOING**
- **2019-LAW-510, 03/27/19, 1915 hours**: Sacramento Sheriff requested Solano Sheriff to provide mutual aid for a dive recovery mission. On 03/26/19, a vehicle traveling on US 50 at Pioneer Bridge was involved in a collision. The vehicle traversed off the bridge into the Sacramento River. Due to the depth of the vehicle, and several identified hazards in the area, Sacramento Sheriff requested Solano Sheriff's Dive Team, specialized equipment, and personnel. On 03/27/19, Sacramento and Solano personnel conducted an assessment of the mission. It was determined that a specialized barge will be needed to safely conduct the recovery. CHP and Sacramento Sheriff are working in a Unified Command posture for this incident. Cal OES Law Enforcement Branch (LEB) Assistant Chief has assumed coordination of this incident, and scheduled an agency stakeholder meeting on 03/28/19. **Update, 03/29/19**: Sacramento and Solano Sheriff's dive teams will dive on 03/30/19 to locate and identify the truck, and attach marker buoys. The recovery phase will depend upon arrival time of an ordered barge & crane. **Update, 03/30/19**: Due to hazardous river conditions on 03/30/19, mission goals were not achieved. Efforts will continue on Monday, 04/01/19. **Update, 04/01/19**: Truck was located at the end of the day. Salvage divers will go down again on 04/03/19, to attach buoys. Once they secure the truck, the barge & crane will be requested. **Update 04/03/19**: Coordination, planning and permits between CHP, Sacramento SO, the contract salvage company, PG&E and Caltrans will take place in coming days to determine the safest course of action. This mission summary will be updated as progress occurs in Cal EOC only. This mission will no longer be reported on in the morning report, unless significant information needs relayed. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-SOUTHERN-621:** Request for Caltrans District 7 rock slide blasting on a county maintained road. Yerba Buena between PCH and Yellow Hill Road. (On Scene)
- **2019-SOC-275:** Request for Caltrans Engineer to provide initial technical assistance and determine the scope of the storm drain assessment project alongside city contractors for the town of Paradise. (Coordinating)
- **2019-SREOC-57753:** Requesting equipment to excavate material from under road culverts. (On Scene)
